Losing your hair? Do you bring out a combful each morning? Has it lost its natural brightness? Is it beginning to look faded and dead? Do you like this condition of things? Certainly not. Then stop this falling of the hair at once. Stop it before your hair is thin, short, and lifeless. Buy a bottle of

Ayer's Hair Vigor

and make your hair beautiful, glossy, silky, abundant.

If your hair is gray, and you don't care to look at thirty as if you were sixty, then you should use Ayer's Hair Vigor. It always restores color to gray hair, all the deep, rich, beautiful color it had when you were young. Do not be deceived by cheap imitations which will only disappoint you. Be sure you get AYER'S Hair Vigor.

An Election Fraud
THAT WAS
Not Perpetrated

A serious election fraud came nearly being perpetrated a few days ago—that is, it would have been an election fraud if there had been anything in the story that was going about the street today. An attempt to break into the room where the election paper was supposed to be kept—that would make a pretty row in political circles. The only trouble with the story is that no such attempt was made, and the election paper is not kept in the room anyway. The other facts are correct.

This morning the janitor of the McIntyre building discovered that the transom of room 12 was not securely closed. Examination disclosed the fact that some of the screws had been removed and the lock was not fastened.

And! Someone had broken in! (Police! But why? Quickly answered. The election paper was kept there.

Aha—a-a! Discover! Enormous election frauds contemplated. Crime in high places!

And then City Engineer Gere wandered in. "Humph! I did that myself. The County Clerk had the key of the room a week ago Sunday, and I wanted to get some of my instruments that I kept in there, so I took out the screws and climbed over the transom. When I came out I forgot to put some of the screws back."

"And the election paper isn't kept there, anyway."

An Old and Well-tried Remedy

"SAVE-THE-HORSE" SPAVIN CURE

Wm. Larsen, Manager, SAN FRANCISCO NOVELTY LEATHER COMPANY 412 Market Street San Francisco, Cal.

Dear Sir:—I used your "Save-the-Horse" on two Splints, on inside of front legs, interfering with the cords of the leg and causing lameness so badly that a very short drive would make the horse act the "part of a cripple." After using two bottles the lameness is gone and the splints disappeared entirely.

Yours truly, WM. LARSEN.

JOHN N. NOWLAN, Wholesale and Retail Dealer in BEEF, PORK and CORNED BEEF, 487 Haight St., 25 Sixth St. San Francisco.

I treated my horse, which had a bad bone spavin, with "Save-the-Horse," and it entirely removed the blemish. I never saw anything to equal it. Mr. Chas. Welch and several horsemen, who are friends of mine, tell me they had equally as good results as myself.

Costs from \$5 to \$25 for repeated firing, horse must be laid up for several months; not 5 per cent. of the cases are cured. Blistering is less effective. Mercurial preparations produce irreparable injury. "SAVE-THE-HORSE" eliminates all these factors. Cures without scar, blemish or loss of hair.

Positively and permanently cures Spavin, Ringbone, Thoroughpin, Curb, Splint, Capped Hock, Wind Puff, broken down, bowed or strained tendon or any case of lameness. Horse can be worked as usual and with blemish, as no harm will result from scalding of limb or destruction of hair.

\$5.00 per bottle, with a written guarantee, as binding to protect you as the best legal talent could make it.
